## Kingdom Class

A new initiative for Term 4 is a concept called 'Kingdom Class' where all of our primary students across Foundation—Year 6 come together for one lesson centred around Spelling. The purpose is to learn how to work collaboratively across age groups, teach one other what they know and strengthen interpersonal relationships. Younger students are 'buddying' with older students from a different class to complete spelling activities and enhance vocabulary. It's been wonderful to observe the positive interactions between our students. That's God's kingdom in action! See Facebook for lots of pics.

## LIDS4KIDS

*We are now collecting plastic bottle lids (milk, soft drinks, juice etc) to have them converted into prosthetic hands for children.*

Check underneath for numbers 2 or 4 (HDPE or LDPE), collect & drop into the special bin in our foyer ☺

## YEAR 10 WORK EXPERIENCE WEEK

This week our Year 10 students are 'out and about' in the community experiencing different workplaces. This is the first time we have run this program and we are looking forward to hearing about the students' exposure to their workplaces. Clockwise from right: Kellie at the Berri Medical Centre, Will repairing a vehicle, Noah at Lever & Sons (piano restorers) and Gemma at the Renmark Veterinary Clinic. Well done students and thank you to their employers!

**Well done**
